SWE T-Shirt Contest

Would you like to see your designs on a T-shirt? The contest is on, create a design on customink.com and send Hope (huenekkeh@msoe.edu) the .png design file!

- MSOE and SWE must be mentioned somewhere on the shirt
- Submit design by week 6 (Monday, October 11th)
- A poll will be sent out shortly after for chapter members to vote for their favorite design!
- Shirt will be long sleeved and cost \$20
 - Sizes and money will be due Week 9 (Monday, November 1st)
- If this is your first year being a member of SWE, your shirt cost will be covered!

Girl Scout STEM Day

We have been asked to volunteer for the Girl Scout STEM Day hosted by the STEM Center on Saturday, October 9th, from 9 am to about 4 pm. At this event, we will be helping girls earn badges related to programming and other science topics. All the volunteer spots have been filled as of today. If you signed up but for some reason cannot help anymore, please let the STEM Center know. Those that are going, have fun and bring back stories and pictures!

WE21 National Conference

WE21 is a national conference held every year at a different location to promote women in STEM. This year it is in Indianapolis, Indiana on October 21st-23rd with virtual and in-person options. The conference offers webinars, keynote speakers, and a career fair. It is open to anyone interested! We, the officers, are encouraging anyone interested to register for the virtual option due to costs and resources available. If anyone has any questions, please feel to reach out to one of the officers or feel free to visit the SWE website: <https://we21.swe.org/>

FLAME Event

This event was this past weekend at the STEM Center. There were six volunteers from SWE that went and helped girls with various activities related to the engineering field. Thank you to: Emma Leider, Carlee Morien, Sidney Lencki, Rebecca Colwell, Sofia, and Laxi Such. It was a great turnout and hopefully we can keep up the outreach work!
