

THE S W E E K L Y N E W S

A weekly newsletter curated by the MSOE Society of Women Engineers

SWE T-Shirt Contest

Would you like to see your designs on a T-shirt? The contest is on, create a design on customink.com and send Hope (hueneckeh@msoe.edu) the .png design file!

- MSOE and SWE must be mentioned somewhere on the shirt
- Submit design by week 6 (Monday, October 11th)
- A poll will be sent out shortly after for chapter members to vote for their favorite design!
- Shirt will be long sleeved and cost \$20
 - Sizes and money will be due Week 9 (Monday, November 1st)
- If this is your first year being a member of SWE, your shirt cost will be covered!

General Meeting with Hydrite

Join us on tomorrow, Monday, October 11th from 12:00 – 1:00 pm for the general SWE meeting. We will have a guest speaker from Hydrite, a chemical company, involved in many different industries like agriculture, biofuels, food processing, industrial, mining, and pet food. They will be speaking about their company and will take any questions that members have for them. Hydrite is also bringing pizza for those that come to the meeting!

WE21 National Conference

WE21 is a national conference held every year at a different location to promote women in STEM. This year it is in Indianapolis, Indiana on October 21st-23rd with virtual and in-person options. The conference offers webinars, keynote speakers, and a career fair. It is open to anyone interested! We, the officers, are encouraging anyone interested to register for the virtual option due to costs and resources available. If anyone has any questions, please feel to reach out to one of the officers or feel free to visit the SWE website: <https://we21.swe.org/>

Innovating for the Future – Learning Session with GE

This is an event set-up by GE (General Motors) for anyone in SWE only. It is happening on Monday, October 11th from 5:00-6:00 pm virtually. To sign-up for the event and get the link for the virtual meeting, go to this link: <https://app.joinhandshake.com/events/862537>
