SWE T-Shirt Contest

Just a reminder to everyone that the voting closes tomorrow! You can rank the designs, pick short or long sleeve, and choose what color(s) you would like to see the shirt in. After tomorrow, the votes will be tallied, and an order form will be sent out by the end of the week. Shirt sizes and money will be due Week 9 (Monday, November 1st). If this is your first year being a member of SWE and are a national member, your shirt cost will be covered! Any questions about the t-shirts can be direct to Hope at hueneckeh@msoe.edu

WE21 National Conference

WE21 is this coming week! It is a national conference held every year at a different location to promote women in STEM. This year it is in Indianapolis, Indiana on October 21st-23rd with virtual and in-person options. The conference offers webinars, keynote speakers, and a career fair. It is open to anyone interested! We, the officers, are encouraging anyone interested to register for the virtual option due to costs and resources available. If anyone has any questions, please feel to reach out to one of the officers or feel free to visit the SWE website: <https://we21.swe.org/>.

Girl Scout STEM Day

Last weekend (Saturday, October 9th), the STEM Center hosted an event to engage Girl Scouts in STEM related topics and activities. We had seven volunteers from SWE at the event. They were Katie Ashley, Cecelia Henson, Teresa Toohill, Ellie Landy, Sierra Andrews, Denise Malisa, and Cherise Malisa. Thank you to all of you for taking the time to show the girls what STEM is! This was a great turnout and hopefully we can keep up the outreach work as the year goes on!

September SWEster of the Month

SWEster of the Month is an award given by the officers to the outstanding member of the org. They are usually the person that is helping at outreach events and attending the biweekly meetings.
