

THE S W E E K L Y N E W S

A weekly newsletter curated by the MSOE Society of Women Engineers

The SWE Mission

Empower women to achieve full potential in careers as engineers and leaders, expand the image of the engineering and technology professions as a positive force in improving the quality of life, and demonstrate the value of diversity and inclusion.

The SWE Vision

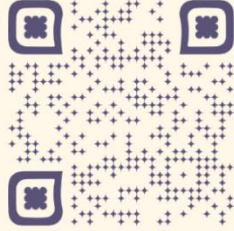

A world with gender parity and equality in engineering and technology.

Are you interested in going to one of these events? Sign up [here](#).

Molson Coors Tour and Networking

**Tuesday May 9th at
3:30pm**

Must be **18+** to signup

Molson Coors Tour

Molson Coors Brewery Company has invited SWE to tour their facility, taste test products, and have a networking hour with their employees! **You do not have to be 21+ to participate.** If you are interested in attending this event, please fill out this form: <https://forms.gle/54bL2six4vwCzwMK7>

Outreach Volunteer Opportunity

SWE-WI will be visiting different classrooms at Banting Elementary (Waukesha) and doing a STEM related activity in conjunction with their Math-In Day. Volunteers are needed for part of the day or all day on Thursday, May 25th. Please contact Heidi at swewioutreach@swe.org to sign-up or for more information.

SWE Donuts for Los Angeles

SWE is attending the WE23 Conference in Los Angeles!

Proceeds will help cover travel expenses, workshop materials, and other costs.

This quarter we are offering in-person pickup of donuts or you can purchase a Digital Dozen coupon.

Pickup date will be Thursday May 18th...Please be on the lookout for the exact location and time!

You can either donate to help SWE (in general) or put a specific SWE member's name down to directly fund their trip!

Thanks in advance for your support in making this event a success!

Looking for SWE Volunteers

April 21 and May 12

WE-WI sponsors the Most Innovative Step award at the middle school Contrapt contest and needs volunteers to talk to students about their projects and choose the award winner. Spend a few hours encouraging middle school students to be involved in STEM activities and see their amazingly complex machines. There are two dates to choose from Friday, April 21 at WCTC in Waukesha and Friday, May 12 at MSOE in Milwaukee. Both events are from 9:30-12. Sign up at <https://www.signupgenius.com/go/20F0E4CAAAE2BA75-contrapt3> or contact Heidi at swewioutreach@swe.org
