

# THE SWEEKLY NEWS

A weekly newsletter curated by the MSOE Society of Women Engineers

## *What is SWE?*

For more than six decades, SWE has given women engineers a unique place and voice within the engineering industry. Our organization is centered around a passion for our members' success and continues to evolve with the challenges and opportunities reflected in today's exciting engineering and technology specialties.

### *The SWE Mission*

Empower women to achieve full potential in careers as engineers and leaders, expand the image of the engineering and technology professions as a positive force in improving the quality of life, and demonstrate the value of diversity and inclusion.

### *The SWE Vision*

A world with gender parity and equality in engineering and technology.
