

THE S W E E K L Y N E W S

A weekly newsletter curated by the MSOE Society of Women Engineers

The SWE Mission

Empower women to achieve full potential in careers as engineers and leaders, expand the image of the engineering and technology professions as a positive force in improving the quality of life, and demonstrate the value of diversity and inclusion.

The SWE Vision

A world with gender parity and equality in engineering and technology.

Diversity, Equity, Inclusion, and Belonging. Survey

This is a completely anonymous survey so that the Society of Women Engineers may have a better look at DEIB issues at the collegiate level. It is always a goal of SWE to increase our DEIB and we want to determine relevant issues and work to solve them.
